

## Quality Fresh Fillings

Danish Patisserie prides itself on the high quality and presentation of its savoury fillings and uses only the freshest and best ingredients, sourced whenever possible from local produce suppliers.

Our products are baked daily making sure the freshest and most nutritious products are delivered to our customers.

## Heating & Handling

### Reheating Instructions - baked products

- Preheat oven to 180°C.
- Place trayed up products in hot oven for 15 to 20 minutes.
- Recommended holding and serving temperature 70°C.

### Pie Warmers

- Preheat product in oven as above prior to placement in warmer.
- Preheat pie warmer prior to placement of product.
- Arrange no more than 8 pies, 6 pasties or 12 sausage rolls per shelf, leaving lower shelf empty.
- Holding temperature and serving temperature 70°C.
- Remove from lower shelf first. Check product for excessive drying.
- Discard unsold product at end of trade or after 6 hours in warmer.

### Baking Instructions - unbaked products

- Preheat oven to 220°C.
- Make sure product is completely thawed before heating. For best results, tray up and leave overnight in the chiller to thaw out.
- Brush eggwash (1 part milk, 2 parts egg) over the product.
- Place in oven and bake at 210°C for 20 minutes or until top of product is golden brown.

### Handling and Storage Instructions

Frozen products should be kept frozen at minus 18°C, fresh products should be kept refrigerated at 5°C until ready to serve.
