Product

The quality of our ingredients, commitment to traditional methods and continuing research and development are reflected in our products to meet customer expectations every day.

Service

We aim to exceed customer expectations and to get everything right... first time, every time. If not, we'll fix it.

Accreditation

By living best practice and committing to independent audits we are dedicated to maintaining internationally recognised food, safety and Halal certifications.

People

The Danish Patisserie team lives to our core values of dedication, reliability, respect and integrity.

Allergen Statement

All products are produced in a facility that handles nuts, including peanuts. Whilst every precaution is taken at time of production, we cannot guarantee that traces of egg, gluten, dairy or nuts are not transferred between products during handling, decorating and packing.
